\$300K+ Revenue generated in first 90 days	50+ Strategic deals and partnerships closed	15+ Products supported through mainnet launch	500+ Developers trained through ecosystem programs
--	---	---	--

Executive Profile

Web3 Business Development Leader and Strategic Partnerships Leader with 10+ years of experience across revenue growth, enterprise sales, blockchain partnerships, Web3 partnerships, go-to-market strategy, blockchain infrastructure, confidential computing, financial technology, digital commerce, and emerging markets growth.

Currently Head of Sales & Business Development at Secret Network Foundation, leading global revenue growth, enterprise partnerships, and ecosystem adoption for privacy-first blockchain and confidential computing infrastructure.

Selected Commercial Impact

- Generated over \$300,000 in revenue within the first 90 days of senior sales leadership.
- Closed and negotiated 50+ strategic partnerships and commercial deals across Web3, AI, blockchain infrastructure, DeFi, and emerging technology sectors.
- Established collaborations with 20+ EVM and Layer-2 ecosystems and supported 15+ products through mainnet launch.
- Contributed to 3x ecosystem TVL growth through partner activation, liquidity initiatives, and go-to-market execution.
- Scaled Secret Network Africa through 2,000+ ambassadors, 50+ events, 500+ developers trained, and partnerships with universities, hubs, and developer communities.

Experience

Secret Network Foundation - Head of Sales & Business Development | Mar 2026 - Present

- Lead global sales strategy, revenue growth, enterprise engagement, partner success, and commercial execution.
- Build relationships with founders, investors, enterprises, developers, infrastructure teams, and ecosystem partners.
- Represent Secret Network in executive meetings, partner negotiations, global conferences, and industry engagements.

Secret Network Foundation - Business Development Manager / Associate | Apr 2024 - Mar 2026

- Managed strategic partnerships, co-marketing, technical coordination, market research, partner profiles, and opportunity tracking.
- Identified new sales programs, partner-led growth opportunities, and commercial models.

Secret Network Africa Lead | Feb 2022 - Dec 2024

- Built Secret Network's African ecosystem presence across Nigeria, Kenya, Ghana, Rwanda, and South Africa.
- Supported African developers in hackathons, grants, GTM support, ecosystem visibility, and technical onboarding.

CipherOwl Inc. - Blockchain Intelligence Analyst | Mar 2026 - Present

- Conduct blockchain intelligence, crypto investigations, attribution research, AML/CFT risk context, OSINT workflows, and financial crime analysis.
- Investigate illicit crypto activity across OTC networks, P2P platforms, mixers, crypto ATMs, forums, wallets, and financial crime typologies.

Jumia Group - Senior Sales Consultant | Jun 2015 - Dec 2021

- Drove sales growth, customer acquisition, product adoption, and client service excellence while consistently exceeding targets.
- Achieved Gold-Level Sales Recognition and was recognized among the youngest top-performing sales consultants in the region.
